***ACTION**

Car Club.

KM gave an update on the progress of the car club. Attendance at the meeting with other groups and communities who are undertaking similar clubs has helped to sort out some of the running and administrative issues.

Once details are complete, advertising can get underway with info and links on FDT web site, car graphics, mail drop etc.

Main launch will take place at the Fling.

***DGH** to check out costs for car graphics.

KM has further ideas and info regarding linking in to tourist industry with other car clubs which will be looked at in greater detail at a later point as a stage two plan.

Fling

Saturday June 5th. 12noon - 4pm.

Set up - hour before.

FDT will require possibly two tables at which we will have - membership forms , details of Board members for this year, project information, Car Club launch and info, Energy use advice, grant scheme launch, smoothie bike, freebies and more for the kids.

The Wind of Change will be showing on the screen within the Sports Club,

***GC** to check with PTA as to whether we have been allocated a gazebo.

***KH** to produce new membership form/leaflet & FDT Fruit Machine game

***KM** organising film showings.

Directors to take shifts on manning table. Kelly and Kayt will be present throughout most of the day.

DVD

KH and DH attended the premier of "Wind Of Change" introduced by Cornelia Reetz at the UK Green Film Festival. The film was well received.

Graphics for the DVD cover are being prepared before the film can be sent to other groups, organisations and communities for viewing. Cornelia will be sending some to other film festivals.

As mentioned above, the film will be shown to the Fintry community at the Fling.

Wind Directions.

Journalist Sarah Azau of 'Wind Directions' is coming from Brussels to do a piece on Fintry on the 6th of June.(?) KM has organised the visit and access to the wind farm.

Tony Flische will be taking some photographs and GC will be available on the day.

DH suggested that we invite some of our political supporters to engage on the day.***KM** to contact.

Broadband

***GC** to talk to Trevor about the information recently sent by e mail regarding potential up-grading of broadband speed in Fintry.
