

FDT minutes of meeting -Burnbank Cottage 03/03/10 8pm.

Present; Martin Turner, David Smith, Gordon Cowtan, Bill Acton, Jamie Pearson, Kayt Howell (Admin)

Apologies; David Howell, Pete Skabara.

Presentation of Plan B

GC will give presentation of plan B outlining the various changes. Kevin McLelland of ESSAC will then take over and further explain the role of EST.

Copies of names, addresses and e-mails of all those will need to be put on a spreadsheet and given to Kevin. A vote is required by those present to agree to this.

FDT have not yet looked at the information forms to ascertain what the numbers of each preferred technology might be.

Directors discussed the benefits to residents of going through FDT rather than directly with EST. In summary, FDT have additional discounted supply and fit figures and are negotiating fuel supply at additional discounted prices. In addition, the locally trained installers will provide support and back up to customers as well as the Energy Officer when engaged.

DS asked if the list was effectively closed or if more residents can join the scheme. The project would encourage additional take-up.

BA asked if the loan offer ends at the end of March. It would appear that there may be hope for extension. The loan would be tied to the property, not the person.

Decision to be made about potential queuing issues given numbers.

Fintry Focus article required asap. Should include a summary of Saturday's meeting and an application/contact form if wishing to be included, with instructions to return to the FDT box in the Sport Centre.

Information and summary to be posted on the website.

FRESH

Directors discussed potential speakers for talks and guests for the event being held on 4th and 5th June.

Leaflet drop will be required to get local interest.

Kayt has made some initial bus and coach enquiries for trips to installations and windfarm.

May change timing of windfarm trip to 3.30pm so not to take away from Fling.

Meeting arranged with Elspeth English on Friday 12th March 11 am at Gordon's.

DH to contact Science Centre and book for 5th June.

People to contact for FRESH;

Community Woodland

Fife Diet

Maitland Mackie

Carbon Neutral

FDT!

Graphics will be required. CCF fund should be used to finance FRESH.

Next Meeting 17th March maybe at Pete's.
